Dear Parents

This is a special edition newsletter. It has been compiled because there are so many important new dates for your information. Next week will be the regular full edition.

Regards
Brian Martin
Principal

SCHOOL CLOSURE DAYS (STUDENT FREE)

The next school closure day will be on Tuesday 12 August.

The staff will be focussing on Strategic Directions for the next two years with the support of the Catholic Education Office.

Please make arrangements for your child’s care on the day.

A new school closure date of Tuesday 16 September has also been added.

As previously advertised, Monday 3 November will also be a closure day. There will be one more closure day with the date to be advised in term 4.

CareMonkey Security Statement

We understand and appreciate that users will be concerned about security and privacy, particularly in relation to the use and disclosure of personal information. We are committed to providing a high level of security and privacy in relation to all personal information, including health and medical information, which is collected by us.

CareMonkey’s physical infrastructure is hosted and managed within Amazon’s secure data centres and utilises the Amazon Web Services (AWS) technology. Amazon Web Services provides a highly reliable, scalable and secure infrastructure platform that powers hundreds of thousands of businesses in 190 countries around the world. This security statement addresses the following:
Security Assessments and Compliance

AWS manages a comprehensive control environment that includes the necessary policies, processes and control activities encompassing people, processes and technology.

AWS is compliant with various certifications and third-party attestations. These include:

- SAS70 Type II. This report includes detailed controls AWS operates along with an independent auditor opinion about the effective operation of those controls.
- PCI DSS Level 1. AWS has been independently validated to comply with the PCI Data Security Standard as a shared host service provider.
- ISO 27001. AWS has achieved ISO 27001 certification of the Information Security Management System (ISMS) covering infrastructure, data centres, and services.

Physical Security

Amazon has many years of experience in designing, constructing, and operating large-scale datacentres. This experience has been applied to the AWS platform and infrastructure. AWS datacentres are housed in nondescript facilities. Physical access is strictly controlled both at the perimeter and at building ingress points by professional security staff utilising video surveillance, intrusion detection systems, and other electronic means. Authorised staff must pass two-factor authentication a minimum of two times to access datacentre floors. All visitors and contractors are required to present identification and are signed in and continually escorted by authorised staff.

AWS only provides datacentre access and information to employees and contractors who have a legitimate business need for such privileges. When an employee no longer has a business need for these privileges, his or her access is immediately revoked, even if they continue to be an employee of Amazon or Amazon Web Services. All physical access to datacentres by AWS employees is logged and audited routinely.
Book Week

Children come dressed as their favourite storybook character!

Friday 22nd August

Parade 9 am

Assembly 2.30 - Hall
Sharing of Book Week Activities

Parents/ grandparents/Aunts/ Uncles welcome! (Feel free to also come in costume)
Maths Family Night

When- Thursday 4\textsuperscript{th} September
There will be 2 sessions:

After school - 3:45 to 4:45
A repeat of this session - 6:00 to 7:00

Come along as a family and have a fun time discovering the excitement of Maths.

Maths Family Night offers an opportunity for you to experience a variety of hands-on maths activities with your child in a cooperative and fun environment! Receive a Maths Goodie Bag for you to keep.

This activity can be booked on the internet through our new online booking process at www.schoolinterviews.com.au. Bookings are now open and will close on Friday 22 August.

The booking procedure is outlined on the next page. This activity will be held at school (the location at school will be confirmed at a later date)

We look forward to seeing you at this fun Maths activity.

PRIVACY NOTICE

Information required to determine the Index of Community Socio-educational Advantage (ICSEA) for schools

This notice is from the Australian Curriculum, Assessment and Reporting Authority (ACARA), to advise you that ACARA has requested your child’s school to provide ACARA with information about you and your child. Your school may disclose to ACARA information such as your child’s gender, date of birth, country of birth, background language, residential address, parental occupation and parental education.

This information is disclosed to ACARA under the ACARA Act 2008 for one or both of the following purposes:

- formulating national reports consisting of aggregated data on school performance; and
- assisting government to formulate policies in relation to education matters.

ACARA will not disclose this personal information to any third party. If you do not want your school to provide this information to ACARA, please advise your school within seven (7) days of receiving this notice.

Further information about ACARA can be obtained from the ACARA website at www.acara.edu.au.
