Prayer for Contemplation

I thank you, God, for always being with me, 
but especially I am grateful 
that you are with me right now

*God, send your Holy Spirit upon me*

God, where have I felt your presence, 
seen your face, 
and heard your word this day

*God, let me be grateful*

God, I thank you for the times this day 
we have been together 
and worked together

*God, thank you for being present*

Term 2 Wrap Up

Dear Parents,

In an increasingly busier and busier world, it is not often that we stop and *smell the roses* and celebrate successes and reflect on our failures. As the semester draws to an end I have been reflecting on the successes and failures in our school community. Today’s editorial outlines some of these reflections.

End of Homework Trial

The trial of the revised Homework Policy is now complete as outlined in the newsletter on the 27th March. Next week at the staff meeting the Homework trial will be reviewed and adjustments made. Thank you to the parents who have provided feedback on the trial. Further feedback can be emailed to Jan Morice, jmorice@shoakleigh.catholic.edu.au by Tuesday afternoon. Earlier indications have shown that the trial has been a great success.

Communication

- Calendar: We have three google calendars in our school: school community, staff and staff updates. Staff have reviewed the implementation of the three calendars with overwhelming support for the concept of the calendar. We are still resolving some minor issues with the implementation.
- Skoolbag was trialled in term 1 by the school education board and staff. It is now in operation for all parents and has been received very positively by the parent community.
Parent forums have raised good suggestions and some solutions to community issues. Information on all three are contained in previous newsletters.

GAFE: The school e-learning team is also leading an initiative to migrate to a Google Apps for Education (GAFE) platform as part of the roll over to Integrated Catholic Online Network (ICON).

School Education Board

Plans are now underway with the three school education board focus groups as follows:

- Beautification: The development of a strategic beautification plan is under construction. Your feedback is sought with more information later in this newsletter for the My Awesome Playground Project
- Community Connections: Strategies are being explored for connecting school members within our community, afterschool sporting opportunities as well as making connections with the wider community
- Traffic management: traffic observations have taken place, parent feedback sought and a meeting with Monash Council is planned for next fortnight. Your feedback is sought with more information later in this newsletter for the Traffic Management at Sacred Heart Focus Group.

End of Eating Outdoor at Lunchtime Trial

Over the past six months the school has undergone a trial on children eating outside at lunch time. The trial has concluded and has been deemed a failure. Some of the reasons for the failure included:

- a rise in lunches being thrown away resulting in parents not being aware of what their child is / is not eating
- an increase in the number of children deliberately avoiding the designated eating area
- an escalation in littering and lack of ownership of littering behaviour by children
- an increase in lost property due to children not taking ownership for their belongings.

Adding rubbish bins will not resolve this issue but add to it and as was decided previously, parents want to know what their child is eating. Children and staff were involved in discussions and warned of the consequences throughout the trial. Other arrangement will be considered providing it tackles ownership of behaviour.

It was also noted that during the trial many parents sent food that was contrary to our school healthy eating procedures. Guidelines from the Department of Education website are within this newsletter.

It must be remembered in this decision we are not introducing a new policy, we are reintroducing the previous policy of eating inside that has been working in the school for many years. There are no children starving in the school as a result of this decision. If you believe you need to discuss your child’s nutrition or eating arrangements please see your child’s class teacher.
Yr 6 Student Leadership Projects

The Yr5/6 teachers and students as well as Jan Morice and myself have been involved in evaluating the leadership projects. All Yr6 Leadership Teams are at the planning or implementation stage of their project. The projects leadership projects are:

- Community: Lunch time fun board games
- Social Justice: Nepal (Caritas) monster cake raffle / food drive
- Sport: cross school lunch sporting games and competitions
- Art: art and craft lunch time clinics
- Environment: gardening project

End of Positive Behaviour Management Procedures Trial

The staff of Sacred Heart School in particular the wellbeing team has been trialling the Positive Behaviour Management Procedures. This trial has been on our management system for all students in terms of breaches of behaviour. This is for minor, major and critical incidents that may occur in our school from time to time. As a result of the trial changes have been made to the Positive Behaviour Management Procedures for our school. An updated definition of these behaviours and the consequences for these, will be sent home at the beginning of term 3. More information about the trial can be found at the following link: http://www.shoakleigh.catholic.edu.au/Newsletter/2015/issue_3.pdf

Traffic Management at Sacred Heart

Earlier this term I wrote to you about traffic management around Sacred Heart School. Your help is needed. If you believe there are significant traffic management issues other than those listed in last week’s newsletter editorial then the School Education Board needs to know. Please provide your succinct suggestions in the format below. For example

<table>
<thead>
<tr>
<th>ISSUE Parking /Traffic</th>
<th>POTENTIAL SOLUTIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Double parking in Mora Ave</td>
<td>Drop off zone to be created in Mora Ave near black entrance gates</td>
</tr>
</tbody>
</table>

Email your suggestions to principal@shoakleigh.catholic.edu.au or hand into the school office. This information will help validate our proposal and council. A summary of the issues and potential solutions will be provided to Monash Council in June. I look forward to hearing your responses.

I am very proud of our school community and its successes but most importantly the people within it. It is very easy to complain and it is harder to say well done on achievements. I invite you to congratulate some of the many people who have led our successes this term. In your reflections over the term I hope that you are celebrating many successes.

Healthy Eating Guidelines (Department of Education)

Healthy eating has a long-lasting and positive impact on a child’s growth, development and health.

Foods eaten by your child at school contribute greatly to their daily nutrient intake. These foods considerably influence their eating habits, growth patterns, energy, concentration levels and ability to learn.

You have an important role to play in helping to ensure your child eats well and stays active.

Healthy school lunch ideas include:

- sandwiches or pita bread with cheese, lean meat or salad
- cheese slices, crackers with spread and fresh fruit
- washed and cut-up raw vegetables or fresh fruits
- frozen water or milk, particularly in hot weather

Highly processed, sugary, fatty and salty foods should only make up a very small part of your child’s diet. Foods to limit in school lunches include:

- processed meats such as salami and pressed chicken
- chips, sweet biscuits, muesli and breakfast bars
- fruit bars and fruit straps
- cordials, juices containing sugar and soft drinks
- You must let your child’s school know if your child is allergic to particular foods.

Further information including Food Ideas for Home and School can be found at the following website

My Awesome Playground!

SCHOOL BEAUTIFICATION PROJECT

What does an awesome playground look like to your child? Does it have more engaging play equipment? Is it a greener playground? Or, does it feature a number of quiet places to sit and chat?

We are excited to announce that the school’s leadership has asked the School Education Board to develop a scope of works to beautify our school grounds over the long term. The beautification will address old and unused structures and spaces; with a primary objective, that SHPS students feel more fully engaged and motivated by their external environment.

The project will have a number of stages, including a considerable consultation period, before any work begins. The Board has opened its consultation (which will run until November 2015) and will use its next AGM, held in March 2016, to present working drawings and costed plan to the school community. Save the date for that!

WE WANT YOUR IDEAS!

EMAIL: tell us in an email what your child’s awesome playground looks like and include your wish list for the beautification project. We want to know your big ideas!
We would also like to hear your thoughts on two areas which had already been earmarked for improvement this year:

1. Seating area located at the end of the soccer pitch where there is old cyclone fencing, uneven ground and old tables and chairs.
2. Grass area located behind the front gates of the school adjacent to the hall where there is unused grass, concrete bricks, totem poles and general seating area.

**QUESTIONNAIRE:** There will also be an opportunity for you and your family to illustrate your ideas and fill out a more detailed questionnaire about areas of the school which you believe can be improved. This will be sent home soon with your child and returned to the classroom teacher. Just remember, if you can imagine it, we’ll consider it!

**CAN YOU ASSIST?** Would you like to be part of our awesome beautification committee? No outrageous commitments, just as much time as you can give to help us to plan and consult thoroughly with our key community groups. There will be lots of opportunity to participate in the coordination of feedback, investigate what other schools are doing, as well as research other beautification opportunities. If you have special talents of the tradesperson kind that you’re able to offer later this year, we’d also love to hear from you! If you can help, email us at principal@shoakleigh.catholic.edu.au

CDs, feathers, ribbons, plastic spoons (no forks or knives), string/wire/wool, cookie cutters, plastic gems,
beads, old mirrors, small or cylindrical metals pieces (no sharp edges please) and bells.

Please ensure there are no sharp points or edges on any of the donated items for safety reasons.

If you wish to donate some of these items please bring them to school and place them in the labelled
donations box which will be located outside the office.

Thank you for reading our newsletter article, we hope you will donate to our project.

HEALTHY RECIPE NO. 2 (from Klava)

**Hummus Dip with Vegie Sticks**
1 can chickpeas, drained
2 tbsp tahini
½ clove garlic
3 tbsp extra virgin olive oil
1 lemon, juiced
Salt and pepper to taste

Blend all ingredients in food processor or using a stick blender. Add a bit of water if it is too thick. You want it thick enough to stay on the vegie stick and not drip off.

Cut up vegies into thick sticks that fit into a lunchbox sized container. The following are all great for scooping the dip: carrot, cucumber, capsicum, celery, string beans (whole), snowpeas (whole). Mr Martin’s daughter likes to dip cherry tomatoes cut in half.

Note: Tahini is available in the Health Food aisle at Coles Oakleigh.
Allergy Alert: Tahini is made of ground sesame seeds. If your child is allergic to seeds omit tahini from the recipe.

MONASH YOUTH FILM FESTIVAL

Entries for LIGHTS! CAMERA! SHORTS! Monash Youth Film Festival are now open. Monash Youth Film Festival is in its ninth year and involves screening a selection of short films of any style (10 minutes or less) made by local young filmmakers under the age of 26 years.

This year we are extremely fortunate to have the support of Bendigo Bank Pinewood. Entrants will now have the chance to win a share of $2000 in prizes! One successful film maker will have the opportunity to be employed by Bendigo Bank Pinewood to make a promotional film about the community projects the bank has supported.

Entries close Monday 31 August 2015
