The Work Goes On

The School Education Board (SEB) is a team of parent representatives from the school and parish community whose role is to provide advice on educational matters relating to the school and parish. The SEB informs and supports Fr John and myself in making key decisions in the life of the parish and the school. Ultimately with the goal of improving student and school outcomes and experiences. It also provides a necessary link between the parish priest, principal, teachers and the school community.

The SEB focus areas for 2015 included:

- school beautification
- community connections (The Heart)
- traffic management (Traffic and Parking Safety Guide and New Parking Arrangements)

The brief of the School Beautification Team was to develop a strategic beautification plan for the external spaces around the school. Feedback was sought from parents, staff and students through surveys, focus group discussions and a design competition. Eleven different zones have been identified within the school as part of this project. Drawings have been created highlighting these eleven zones and recommendations for planning in these spaces.

On Monday 9 May at 3:10pm, after the reconciliation assembly, the My Awesome Playground, School Beautification Project will be launched to parents and children. The design will be on show in the windows near the office and the school website. I would like to take this opportunity to thank Michele Gardiner and Saritha Lobo for their work on this project in the last 18 months. This design will now help the school in making decisions, prioritise works, set budgets and forward plan for the coming years.

As a taster to the rollout of the project, Zone 4, the area near between the hall and synthetic grass soccer pitch, has been highlighted as the first area for renewal. The brief is removal of cyclone fencing and seating, grass removed and construction of a large landscaped gathering space. Initial discussion with Fran Frederic may include art work being built with the children. Tenders are currently being sought by landscapers to do this work. Once a quote has been accepted work will begin in the second half of the year.

**Mothers’ Day Breakfast Friday 6th May 2016**

To celebrate Mothers’ Day the PA host a Mothers’ Day breakfast in the school hall. Breakfast commences from 7am and finishes at school start time. The proceeds of the Mothers’ Day stall enable us to pay for the breakfast. Mothers’ Day breakfast is ONLY for Mothers, Grandmothers, Carers, Guardians and students.

Please return your form to the office via your class teacher by Monday, 2nd May 2016. We will only be catering for those who have booked by completing the attendance form.

To make sure the breakfast is enjoyed by our special Mums, we need volunteer Dad helpers to assist in the morning. The attendance form has a section for the volunteers to nominate the time they are able to help.

There will be raffle tickets available for purchase on the day for some beautiful gifts. Don’t forget your gold coins ($2 each or 3 tickets for $5).

This is a wonderful tradition at our school and the kids love having a special breakfast with their Mum and their friends as well.

Please note ‘The Heart’ (Coffee Shop) will not be open on Friday 29 April, Monday 2 May and Tuesday 3 May due to set up of the Mothers’ Day Stall.

Sharing 2 Min Zone with Others
Efficient use of the 2 min drop off zone will ensure maximum use of this space during pickup and drop off times for all families. Think of it as a ‘Hug & Kiss’ zone.

Do not leave your car.
Move up if the space in front becomes available.
This allows other cars in at the back.
‘No Stopping’
Parking in a ‘No Stopping’ zone is dangerous and reduces visibility for other motorists on busy roads. It also impedes traffic flow and causes congestion.

Do not park in ‘No Stopping’ zones.

INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

The Skoolbag App is live for our school community. This is for both Apple devices from the app store and android devices from the playstore. The Skoolbag App provides you with an easy free way to let you know key information about school activities. It provides you with a convenient way to receive school notifications and it communicates directly with iPhone, iPad, Android and Windows Phones devices. The Skoolbag App can be downloaded from the following locations:

For iPhone and iPad users:
