The Paradoxical Commandments (adapted)

People are unreasonable, illogical, self-centred
... love them anyway.

If you do good, people will accuse you of selfish, ulterior motives
... do good anyway.

The good you do today may be forgotten tomorrow
... do good anyway.

People really need help but may attack you if you try to help
... help people anyway.

If you give the world the best you have, you may get kicked in the teeth
... but give the world the best you have
... Anyway.

Dr. Kent M. Keith

Welcome Back

Dear Parents and Carers,

Welcome back to our Sacred Heart Community. We especially welcome our new Foundation children and new families to our school community. The before school drop off and pick up have been a wonderful opportunity to renew our connections with each other as we begin our 2017 journey together. We welcome Silvia De Filippis as Foundation Teacher and Angela Walsh as 5/6 Teacher this year as well as Elle Nalbandis who is replacing Jennifer Baker in Year 1/2 for Term 1.

As a school this year we are using the theme: Dignity. The basis for the theme of Human Dignity, the bedrock of Catholic Social Teaching, is that humans are created in the image and likeness of God. Regardless of any factors or reasons we can think of, individuals have an inherent and immeasurable worth and dignity; each human life is considered sacred. This theme is about our equality before God that leads us to think no less of somebody because they are from a different place or culture, because they believe something different to you, or because of their work or employment situation. We each have the opportunity to see the ‘face of God’ in others, in our school setting in every parent, every staff member and every child. This can lead to a challenge for every one of us in our school, if I see the face of God in each person, how am I treating them?

Last year I announced on the first area of our Strategic Beautification Plan over the past school holidays. The School Education Board (SEB) launched this plan last year with eleven different zones being identified as part of the project. The brief of the School Beautification Team was to develop a strategic beautification plan for
the external spaces around the school. More details of the plan can be seen at the following link on our website: [http://www.shoakleigh.catholic.edu.au/schoolgrounds.html](http://www.shoakleigh.catholic.edu.au/schoolgrounds.html). The brief was to create a “Quiet Garden’ creating a barrier from the busyness of the rest of the school yard. It is also a gathering space for children and parents as well as housing two pieces of art created by the children. The space has certainly reinvigorated the area of the playground and has already become a popular play space for the children. Please drop by and spend some time in this quiet garden. Other works from the plan will roll out in conjunction with other capital building works over the coming year/s based on priority areas and available funds.

Finally I would like to welcome you to our school Welcome Footsteps Dance Night on Thursday 16 February. This is an opportunity for you to make connections and have conversations with staff, parents and children from Foundation to Yr 6. This night is all about nurturing our community and building connections between all of its members in a fun and informal setting. It is also the opportunity for the children to show off some of their newly acquired dance skills from the Footsteps Dance Program they have all been participating in since the beginning of the year. Please read the Skoolbag App for details.

The staff and I look forward to working with you to continue to nourish the learning for your child. May 2017 be a year of dignity for all in the Sacred Heart Catholic Primary School Community.

Regards
Brian Martin
Principal

Parents of Year Six Students
Please be advised that enrolments for Year 7 students for 2018 will close for all Catholic Colleges on is **Friday, February 17.** If you have not already enrolled your child in a secondary school it is very important that you do so immediately. It is advisable to apply to a school of second choice as all applicants are not assured of a place and success is dependent on the number of places on offer and the number of applicants.
School Hats

In Term 1 and Term 4 students are required to wear a red legionnaires’ hat when outside, including coming to and going home from school.

The rule is ‘No hat No play’ which means that if a child does not have a hat, they cannot play in the yard and must spend time in the shade. You may purchase a new hat from the school office for $8.00 if your child has lost his/her hat.

Top tips on sunscreen @ school - Important notice from SunSmart

Teachers at school are not expected to apply sunscreen to students but SunSmart does ask that schools have strategies in place to help remind children to apply sunscreen before they go outside. Regular use of sunscreen has been shown to reduce the incidence of melanoma and squamous cell carcinoma, both in the short and long term.

Choose SPF 30 or higher broad spectrum, water resistant sunscreen.

- Make sure it is within its use-by date and is stored below 30 degrees. It is best to apply a generous amount of sunscreen to any exposed skin around 20 minutes before going outdoors. Sunscreen should be reapplied every TWO hours even if the stated level of water resistance is 4 hours.
- Children BYO SPF 30 or higher broad spectrum, water resistant sunscreen – one that suits their skin.
- Store sunscreen with lunchboxes and/or hats so when children grab their food or hat before going outdoors, they will also be reminded to slop on sunscreen.
- If sunscreen is kept in the cooler section of the lunchbox, it will be cold when applying - especially nice on a hot day. By the time the food has been eaten, the sunscreen should have had time to bind to the skin.

ADMINISTERING MEDICATION – NOTICE TO PARENTS

- Children who are unwell should not attend school.
- The administration/office staff or teacher on Sick Bay duty will be the staff responsible for administering prescribed medications to children.
- Non-prescribed oral medications (e.g.: head-ache tablets) will only be administered by school staff if sent in with specific written instructions from parents.
- All parent requests for staff to administer prescribed medications to their child must be in writing on the form provided FROM THE OFFICE and must be supported by specific written instruction from the medical practitioner or pharmacist including the name of the student, dosage and time to be administered (original medications bottle or container should provide this information).
- All student medications must be in the original containers
- Consistent with our Asthma policy, students should carry an asthma inhaler with them.
- No medication is to be kept in the classroom or left in school bags
- Parents must take medication to the office.

Classroom Cuisine - please access link via school website to order healthy lunches on Mondays and Thursdays each week.

Classroom Cuisine is an ‘online tuckshop’ service available on Mondays and Thursdays only and is ordered online. Orders will be taken up until 8:30am on the morning. The lunches are then delivered to the school by 10:45am. For all the information you will need to access this service, how it all works and how to order, the web address is www.classroomcuisine.com.au

The school office will not be able to help with any queries/issues with the service, if you have a problem please email Classroom Cuisine direct and they will reply promptly.

**Classroom Coordinators Needed**

I would like to welcome everyone back to school for another fantastic year. We are already in our second week at school and need to organise class coordinators for each class. The class coordinator will work directly with the teacher to communicate with the parents. I encourage you to consider this role, as we would ideally like two parents for each class. If you would like a job description or have any questions please contact me or Sophie Miliotis, the Classroom Coordinators Liaison.

Thank you

School Banking Day Reminder

Don’t forget that Tuesday is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

Thank you for supporting the School Banking program at Sacred Heart Primary School

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Tuesday.

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to the school office.

Yes, I would like to help with School Banking!

DO YOU KNOW SOMEONE WHO NEEDS HELP CARING FOR THEIR PET?

Joyce and Tully make a great team, both with loving smiles and a great deal of time for each other. Joyce used to take Tully for a walk to socialise and keep Tully’s weight under control, given Tully’s passion for food! Due to recent health issues, Joyce can no longer walk Tully. With these concerns in mind, Joyce contacted LinkPETS and asked for some help. LinkPETS were able to match Tully to some local pet-loving volunteers. Now Tully is back pounding the streets, making up for lost time!

Our special LinkPETS program can provide pet-loving volunteers to help with walking, basic grooming and cat/dog hygienic clean-ups.

Call Sarah Burton our LinkPETS Coordinator on 8822 8309 or 0429 906 919 if you know someone who needs help caring for their pet. For more information please visit www.linkhc.org.au.
